HOW IFAP WORKS

LEARN → PLAY → VOTE → ACT

1 LEARN

Short classroom experiences (12–15 minutes) build civic knowledge, perspective, and life skills.

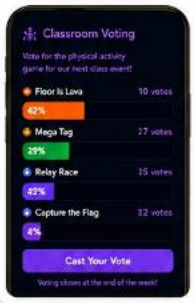

2 PLAY

High-energy games and challenges make learning active, fun, and memorable.

3 VOTE

Students have a voice in their experience and help shape class activities.

4 ACT

Participation powers our school. Classrooms work together to reach shared goals and unlock rewards.

WHY SCHOOLS CHOOSE IFAP

- Minimal classroom disruption
- No student is singled out
- Team goals reduce friction & increase inclusion
- Every student participates (no restrictions)
- No teacher prep required
- Builds teamwork, leadership & confidence
- Family engagement built in
- Supports school fundraising goals

SCHOOL = CITY MODEL

SCHOOL = CITY	CLASSROOMS = NEIGHBORHOODS	STUDENTS = PARTICIPANTS

Small actions. Big impact.
Together we build a stronger community.

COMMUNITY PARTNERSHIP & PILOT OPPORTUNITY

IFAP is being launched as a DuPage County pilot in partnership with Glen Ellyn Schools to strengthen youth leadership, teamwork, school engagement, and family participation.

Grant support will help launch the pilot, provide schools with the tools, materials, live programming, and digital platform needed to create a scalable, community-centered model with long-term impact.

- **Supports school engagement & youth leadership**
- **Strengthens family & community participation**
- **Creates a scalable model for long-term impact**
